

## Fundraising\* Opt-Out Agreement

Fundraising is a necessary part of any youth competitive sports organization. In order for our booster club to remain vital and offering financial support to our athletes, fundraiser participation is a necessity for each family. Money collected through fund raising and fees are used for many purposes (seen and unseen) over the course of a competitive year.

The Virginia Youth Sports Booster Club works hard to keep athlete fees low and offset those low fees with fundraising efforts. Please keep in mind all of the often “unseen, behind the scenes” expenses when considering your level of commitment to fundraising. Your help is a necessity to continue this outstanding program, therefore, each athlete is asked to participate in the various fundraisers that the Youth Sports Booster Club sponsors each year or give an In-lieu-of Donation.

Virginia Youth Sports Booster Club offers an “opt-out” fundraising option for those who may be too busy or overburdened with several organizations to fund raise for. The “opt-out” fundraising option allows families to still support the organization allowing us to meet our commitments.

If this sounds like the right choice for you, Virginia Youth Sports Boosters is offering a yearly In-lieu-of contribution of \$100.00 per child. This in-lieu-of takes the place of your child participating in fundraising for the 2009-2010 competitive years. Those taking part in the “opt-out” fundraising option will not qualify for fundraising credits. In-lieu-of donations to the Virginia Youth Sports Booster Club are tax deductible.
